CLUB NOTES

HONOUR IN F.A. CUP DEFEAT

Back to the grim grind of League football, North End played at Wolverhampton as if their energies had been sapped by their efforts in the F.A. Cup sixth round replay three days earlier. Wolves, scenting promotion, were in strong form, and our jaded side suffered the usual fate of North End teams visiting Molyneux.

The situation in the table does not allow for any slackening of effort, considering the nature of the remaining fixtures and none too wide margin of safety from the threat of relegation. This was temporarily removed by our recent win at Bolton, but a few more points need to be gained before we can relax.

While it was disappointing to see the team caught on the rebound at Wolverhampton, nothing can detract from North End's stirring and wholehearted performances in the Cup, and we feel that all supporters are unstinting in their credit for a great effort which, for a few weeks revived the club's prestige.

The national publicity which followed our fifth round triumph against Tottenham Hotspur enhanced North End's reputation for playing a good type of football and for fighting spirit. This was accentuated in the next round, which inevitably produced a sterner test, apart from the opposition being Manchester United.

CLUB NOTES—*continued*

The first meeting, at Deepdale, was memorable, to say the least. Another fine crowd saw an action-packed game in which "Proud Preston" showed no sign of any inferiority complex. We had the better chances and made by far the more scoring attempts in extending the United's defence to the utmost degree.

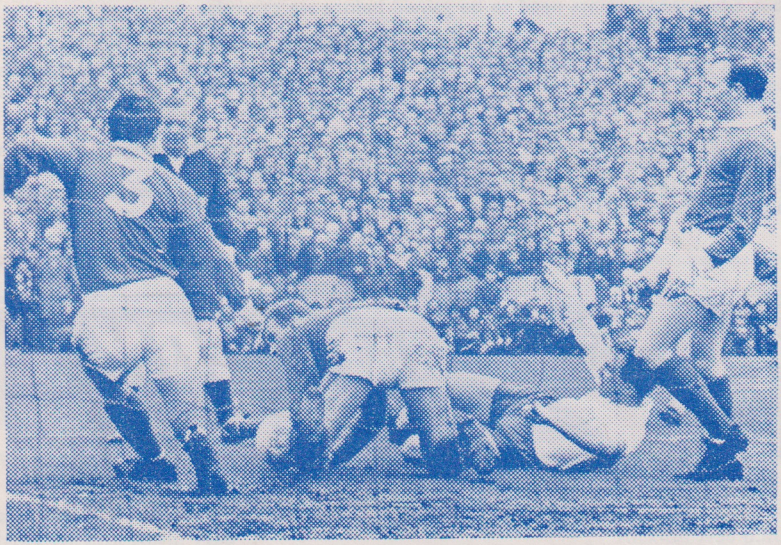
Regrettably only one of North End's scoring efforts — a header by Dawson for his fourth goal in four Cup games—was successful, and this was quickly nullified early in the second half when Herd, thought to be in an offside position by our players, was allowed to go on and equalise from Best's pass.

In the replay Preston put up a splendid fighting show, always remembering that the United, who now where at home with a vast crowd cheering them on, are recognised as one of the best six club sides in the world. It is in that light that North End's achievement in holding them for 175 minutes needs to be seen.

They were deserving of the many congratulations warmly given after the United had snapped two deciding goals in the last few minutes. Earlier Denis Law had put his side ahead, but North End, undismayed, fought back strongly and gallantly almost throughout the second half.

Tony Singleton repeated his feat of the 1964 semi-final at Villa Park by scoring his second goal for the club with a grand header, but that was all the United would concede, hard as they were pressed at times.

SIXTH ROUND INCIDENT AT DEEPDALE



Spavin falls as his shot is blocked by Gregg, who is covered by Dunne and Stiles.

OUR VISITORS—*Rotherham United*

To-day we heartily welcome the Merry Millers of Millmoor, whose lively team spirit and obvious willingness to give of their best have earned admiration and respect over the years. Their manager Jack Mansell sees football as a team game, with the accent on attack and everything is geared accordingly.

Rotherham's League performances for some time have earned healthy respect. Formidable at home this season they have everaged two goals to one in earning 24 pts from 15 games, scoring 40 goals to 21, including 6-3 against North End.

On their travels they have won five and drawn seven. At Deepdale, Rotherham have been hard to beat on their few visits.

Rotherham offers the essence of a sincere Yorkshire welcome, with a non-stop tussle to follow when the teams get to grips, and no moaning if they lose. They are good sports who like to win while recognising the qualities of the opposition.

That is as it should be if the *game* is to come before the *result*. Probably the club's finest performance was knocking out the then Cup-holders, Newcastle United, in the fifth round of 1953 by 3-1 at St. James Park.

Many ups and downs and changes of name are associated with the sporty Millmoor diehards. The club was founded in 1884, elected to the League Division II as Rotherham Town in 1893, called Rotherham County 1919-25 when in Third Division (North), and then designated Rotherham United.

It was a happy choice of name: United they are in every sense from the chairman to the youngest professional, and blessed with a loyal legion of supporters, whose efforts to keep Rotherham's flag flying in League football merit the highest admiration and are a model of true sportsmanship. From small beginnings they have worked wonders in times of great need.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*continued*

North End's League encounters with Rotherham have been few and recent, the first clash being after our relegation in 1961. Following are the results :—

1961-62	home 2-0, away 2-2
1962-63	home 2-2, away 1-3
1963-64	home 2-2, away 2-4
1964-65	home 0-0, away 2-2
1965-66	away 3-6

Rotherham last season caused a considerable stir by parting with three of their best-known forwards, Albert Bennett, Ian Butler and Ken Houghton for big transfer fees, but such is the club's ability to find and develop promising young players that this seemingly severe weakening of resources has not been greatly felt.

ROTHERHAM UNITED PLAYERS

Rodney Jones (*Goalkeeper*). Born Manchester and not yet 21. Burnley gave him a month's trial last June, did not keep him, and Rotherham stepped in.

Harold Wilcockson (*Right back*). Fine young prospect of Sheffield extraction who has come rapidly to the fore after only 10 League appearances last season.

Colin Clish (*Left back*). Born Durham. Signed for £5,000 from Newcastle, December, 1963. Playing better than ever since overcoming the misfortune of a broken leg.

Chris Rabjohn (*Right half*). Another promising young player who hails from Sheffield. Newcomer to the Rotherham League team this season.

John Haselden (*Centre half*). A big fellow recruited from junior football in his native Doncaster and groomed to take the place of stalwart Peter Madden.

Brian Tiler (*Left half*). Converted from wing half to centre forward, scored 18 goals two seasons ago, but now back in his old spot. Born Whiston.

Barry Lyons (*Outside right*). A much fancied junior graduate from Shirebrook two years ago. Made 36 League appearances last season and is only in his 20th year.

Les Chappell (*Inside right*). Born Nottingham. A 19-year-old recruit who was signed from minor football 14 months ago and is justifying faith in him.

John Galley (*Centre forward*). Son of Tom of pre-war Wolves fame. Born Clowne, Derbyshire 22 years ago. Signed from Wolves December, 1964. A good capture.

Frank Casper (*Inside left*). Showed much promise last season in his 30 League games. Tall, slim and fast, with an eye for goals. Born at Barnsley.

David Chambers (*Outside left*). Belongs to Ward Green, Derbyshire. Another of Rotherham's many good finds. Signed when 18 and will be 19 in June.

Peter Madden (*Substitute*). A big tough Yorkshireman from Bradford who needs no introduction to Second Division centre forwards. Long a regular choice.
